

Free Trial

Terms and Conditions

The Kumon Free Trial period runs from **21 January - 20 February 2010** inclusive. The Free Trial lasts 14 days from the first day on which you are in receipt of Kumon worksheets and is open to you whether your child is new to Kumon or considering an additional subject. Before beginning Kumon study, an enrolment consultation and diagnostic test will be administered to determine the start point for your child.

The Free Trial offer applies to the centre at which you enrol and is subject to availability. The trial must be completed at the same centre. There may be circumstances in which we cannot accommodate your child at your preferred centre within the offer period. In such cases we will refer you to an alternative centre with places available.

No fees are payable for the Free Trial period and there is no obligation to continue beyond the 14 day period. Should you wish your child to continue with Kumon, a one-off registration (£25/€40) and ongoing monthly subject fees (£50/€80 per month for the first subject and £40/€70 for a second subject) are payable. Monthly subject fees apply from the date of full registration (i.e. the 15th day your child is in receipt of worksheets).
